Sir:

The prosecution of this application has resulted in the cancellation of claims so that less than all the originally named inventors are the actual inventors of the invention being claimed.

Please amend this application to delete Scott V. Tingey as co-inventor. Scott V. Tingey is being deleted as co-inventor for this application because their invention(s) is no longer being claimed in the application. Thus, in view of this deletion, the named co-inventors will be Stephen M. Allen, William D. Hitz and Anthony J. Kinney.
